Everyone deserves a place to feel safe

While the year brought many challenges, Serve the World Charities remained committed to providing wraparound support for McKinney-Vento students and families in the Center and Raytown School Districts.

"I want people to imagine what it would be like to live on a couple of dollars a day. That's the reality facing thousands of people in our community."

The year in review

As 2025 comes to a close, I'm filled with gratitude for how far we've come as a team and community. Serve the World Charities has continued to stand in the gap for families facing housing instability, turning crisis into stability and independence through partnership and care.

Our IMPACT Program reached record levels of service this year, helping more McKinney-Vento families build lasting habits and pathways toward sustainable housing. We strengthened our infrastructure with a new CRM system, deeper partnerships with Caring for Kids Network and Catholic Charities, and staff wellness initiatives that nurture those who make this mission possible.

None of this progress would exist without our dedicated funders, partners, and volunteers. Your belief in our mission continues to transform lives and strengthen our community. As I prepare to conclude my tenure as Executive Director at the end of this year, I do so with pride in what we've built together and confidence in the future ahead. Serve the World Charities is poised for continued growth and lasting impact.

With Deep Appreciation,

*Stephanie Boydston, Executive Director of
STW Charities*
